

EXUDING AUTHENTICITY | RESPIRER L'AUTHENTICITÉ

L'HERITAGE LIMESTONES

Reclaimed Blend Limestone
Collection

The Collection:

exquisite surface textures and refined edge details of aged, antiqued, or réédition limestone tiles. By blending modern craftsmanship with traditional artistry, this collection captures the authentic charm of historic limestone flooring.

Through a refined collaboration with European artisans, the collection masterfully evokes the elegance of reclaimed limestone flooring, harmoniously combining timeless beauty, exceptional durability, and modern practicality.

Hand-finished with a distinctive patina, rich colors, and intricate edge details, these pieces add authenticity to a variety of interior styles, from Cottage and Belgian Farmhouse to Minimalist and English Georgian.

a French limestone known for its soft gray tones with subtle brown and beige undertones, creating a classic and timeless look. It is a versatile natural stone used for both interior and exterior applications
